## What should my child wear...

### Preschool (Toddlers-Age Three Classes)

Preschool students must wear clothes appropriate for a busy day and for the current season. Art fun and active play is part of our day so children could come home with art materials on their clothing. For safety purposes children must wear closed-back and close-toed shoes with rubber soles and footwear such as sandals and flip-flops are not allowed. Although we do not have a hair policy for preschool, if the teacher determines that the hairstyle is a distraction STES reserves the right to conference with the parents to reach a resolution.

### Cold Weather Recommendations

We will be going outside to the playground as long as the weather is above 40 degrees. Please ensure that your child has the appropriate outerwear for the weather conditions (jackets, mittens, and hat).

*Write Your Child's Name On Every Item Sent to Campus that needs to return home*
